

# London Borough of Lewisham Validation Checklist: Application for a Certificate of Lawfulness (Existing)

The following tables set out what information **must** be submitted with your application to be made valid and what information may be required. If an application is submitted without meeting these requirements it will not be made valid and you will be informed that you have 21 days to provide the necessary information before it is withdrawn.

The Council does not negotiate on applications for lawful development certificates (proposed), so will consider what has been submitted as valid on receipt and proceed to determine it on that basis.
